Teaching preschool and afterschool kids tennis one swing at a time!

Mobile Preschool Tennis (MPT) is an exciting opportunity for kids to learn tennis while they are young! MPT introduces children preschool age and above to tennis and kids who have never held a racket before can play immediately! Kids who have experience can use this opportunity to use what they already know and have FUN! MPT uses equipment specifically designed for young players, including smaller rackets, foam balls, and compression balls. During each class, MPT uses exercises and drills that develop and reinforce hand-eye coordination and build confidence. MPT classes also emphasize character building, manners, good sportsmanship, and being a part of a team. MPT uses a proven formula utilized across the nation developed by Marty Godwin, USPTA tennis professional and 2008-105 USTA Pro of the Year.
